2. Executor/Personal Representative's details

To meet our obligations under UK Money Laundering Regulations, we need to verify the identity of the Executor(s) or Personal Representatives (name and address). We may verify the identity electronically, which would make searches using credit reference agencies who'll supply us with information, including information from the Electoral Register, so we can check the identities. These agencies will record details of the search. The searches won't be seen or used by lenders to assess any ability to obtain credit. This information may also be used for the prevention of money laundering. So please complete this section with details of the Executor(s)/ Personal Representative(s) that are directly handling the Estate, and wish to receive communication and/or transact on the mortgage account.
