Additional information

Buy to let, Legacy Residential & Residential

- If a mortgage product with TMW is either approaching maturity, has matured or has a Switch to Fix facility, it may be possible to switch to another mortgage product, subject to eligibility criteria.
- Eligibility for this range of products is subject to no current mortgage arrears. Customers subject to a Bankruptcy Order or Individual Voluntary Arrangement (IVA) are not eligible to complete a product switch until their bankruptcy or IVA is discharged and the trustee has confirmed they no longer hold an interest in the mortgage.
- Product switches are subject to an automated valuation. This will be used to determine the current loan to value for the purposes of product selection. Results are based on the valuation of other properties in the same area and of a similar description and size.
- Please note, if switching Legacy Residential products, we will offer a product on the same basis as the original application.
