5. Important information for existing daily interest mortgage customers

Please read carefully as the following information may be applicable to your mortgage:

As part of our commitment to continually improve, and in order to proceed with your application, we will need to make some changes to the way interest is calculated, if your mortgage interest is currently calculated daily.

The key difference between your current terms and the new terms is the way in which interest is calculated, when payments are received (or fees applied). Currently when payments are received (or fees applied), the balance for calculating interest reduces (or increases) by the amount of the payment (or fee) on that day, with an adjustment being made to the interest charged for the rest of the month. From the date of the transfer, we will no longer apply an interest adjustment when we receive a payment (or apply a fee). We will calculate interest for the following month on the new balance.

Your existing Mortgage Conditions will, subject to the above changes, continue to govern your mortgage from the date that we transfer the part or parts of the mortgage that are switching onto a new product. Should you have any concerns about the impact of these changes we suggest you obtain independent legal advice. To proceed with the product switch, all borrowers must consent to these changes.

6. New Product Details

Please indicate the mortgage product you'd like to switch to. Subject to eligibility we'll send you a mortgage offer which will contain all the information about your selection, including your new monthly payment. If you're happy with the offer, sign and return the Product Switch Acceptance Form to us. The interest rate will be based on the product available to you in relation to your current estimated LTV. Full details of these rates can be found on the product guide.

7. How We Use Your Information

1. The information you have provided will be held by The Mortgage Works and Nationwide. Further details on how your information will be used is available at tmwdirect.co.uk/privacy
2. We collect and use your information so we can offer and manage your accounts, confirm your ID, prevent fraud, provide services to you, collect and recover debt and run our business.
3. We share your information as necessary within The Mortgage Works and Nationwide, with our suppliers and with any third parties you've asked to act on your behalf. Information is shared with our insurance partners when applying for a Nationwide insurance product or it is a benefit of your account (e.g. FlexPlus).
4. If the law requires or allows us to, we'll also share information as necessary with other organisations. This includes credit reference agencies, fraud prevention agencies and other government bodies, regulators and law enforcement agencies.
5. When we share your information with credit reference agencies they'll use this to check your credit rating, along with the other details you've given us. These checks are part of most account application processes – however, they will leave a record on your credit file that other lenders can see. This might affect your ability to get credit elsewhere for a short while.
6. When we share your information with fraud prevention agencies they will use the data to prevent fraud and money laundering and verify your identity. If we believe someone poses a fraud or money laundering risk, we may refuse to provide the product they have asked for and we may also stop providing services they already have. The fraud prevention agencies will keep a record of any fraud or money laundering risk and this could mean that other organisations may refuse to provide services, financing or employment.
7. When we transfer information to third parties and organisations, whether inside or outside the UK, we'll make sure we only give them information that's necessary and that your data will stay secure.
8. We may, if applicable, give the Intermediary who introduces this mortgage application to you, a copy of any offer we make or the reason for declining the application, a copy of any valuation we ask to be carried out, details of any complaints you make before completion and any other information we consider necessary to process your application through to completion.
9. We only use your information if we have a legal basis to do so, for example, if you have given us consent or if we need to use the information to meet our obligations to you in our terms and conditions. We may also use your information if necessary to comply with the law or to carry out our legitimate business interests.
10. You have certain rights when it comes to your personal information including the right to access your data. Further details on these rights and who to contact are available online at tmwdirect.co.uk/privacy

By making this application, I'm confirming that the other applicant, where applicable, has agreed to share a financial relationship with me. Also, that they're happy for Nationwide to authorise searches, and for links and / or recordings of their information to be made with credit reference agencies.

8. Declaration

You (each of you if more than one is applying) agree and declare as follows:

1. We will rely on the information you have given us on this form, which you confirm is complete and true. If you fail to disclose, or give false material information, this may result in any offer being withdrawn. You understand it is a criminal offence to knowingly supply false information to obtain a loan.
2. We can decline an application at any stage without providing a reason for our decision.
3. You must have adequate buildings insurance in place which covers the cost of rebuilding the property.
4. We may disclose details about the progress of your application, including whether or not it has been granted, and details of any complaints you make prior to completion to your broker, Independent Financial Adviser, professional adviser or other intermediary, if the request came from them.
5. You are not bankrupt or insolvent.
6. It is your responsibility to ensure that you have suitable life cover or other means of repayment in place to repay the mortgage in the event of your death.
7. For interest only mortgages, you have an adequate repayment plan in place to repay the mortgage at the end of the term.
8. If fees are payable in connection with your loan application and you have elected to add these to the loan amount you understand that interest will be charged on the full balance of the loan.
9. Fixed and tracker rates are limited offers and may be withdrawn at any time.
10. By signing this application, I agree to the declaration. If applicable, I also agree to be bound by the terms of your charitable assignment scheme provided to me in my application, which means I will not receive a bonus if Nationwide converts to a bank.
11. **The borrow back feature is not available on new DHLL products. Switching your mortgage to a new product will result in the removal of this facility.**

Mortgages are secured on your property. You could lose your property if you do not keep up payments on your mortgage.

All applicants must sign here.
