<sup>4</sup> Switch to fix option allows an applicant to switch to an existing customer fixed rate, within the same product range at any time during the benefit period without incurring early repayment charges

<sup>5</sup>Only available where 100% of the Further Advance is to be used to make green improvements to the security (see lending criteria for acceptable purposes).

Mortgages are secured on your property. You could lose your property if you do not keep up payments on your mortgage

1 You can make lump sum or regular overpayments of up to 10% of the initial mortgage balance in each 12 month period from the anniversary of completion, without having to pay any early repayment charges. This isn't available if the whole loan is being repaid or security released.

<sub>2</sub>Cashback will be paid upon completion.

3 Exclusions/additional charges may apply. Please see TMW website criteria page for full terms and conditions and a list of non-standard fees your client may have to pay.

4Switch to fix option allows an applicant to switch to an existing customer fixed rate, within the same product range at any time during the benefit period without incurring early repayment charges

5Only available where 100% of the Further Advance is to be used to make green improvements to the security (see lending criteria for acceptable purposes).

Additional

Information

<sup>1</sup> You can make lump sum or regular overpayments of up to 10% of the initial mortgage balance in each 12 month period from the anniversary of completion, without having to pay any early repayment charges. This isn't available if the whole loan is being repaid or security released.

<sup>2</sup>Cashback will be paid upon completion.

<sup>3</sup> Exclusions/additional charges may apply. Please see TMW website criteria page for full terms and conditions and a list of non-standard fees your client may have to pay.

<sup>4</sup> Switch to fix option allows an applicant to switch to an existing customer fixed rate, within the same product range at any time during the benefit period without incurring early repayment charges

<sup>5</sup>Only available where 100% of the Further Advance is to be used to make green improvements to the security (see lending criteria for acceptable purposes).
