Additional information

Rates are only secured once a full application and any applicable fee(s) have been received.

Your client can make lump sum or regular overpayments of up to 10% of the initial mortgage balance in each 12 month period from the anniversary of completion, without having to pay any early repayment charges. This isn't available if the whole loan is being repaid or security released.

Switch to Fix option allows a customer to switch to an existing customer fixed rate, within the same product range, at any time during the benefit period without incurring early repayment charges.

Interest Cover Ratios (ICR) and Stress Rates

To reflect the different taxable income levels of landlords, we apply the following Interest Cover Ratios (ICR) and Stress Rates:

| ICR | | | |
|---------------------------|-------------------------|------|----------------------------|
| Buy to Let and Let to Buy | | HMO | Limited Company Buy to Let |
| Tax rate of 20% or less | Tax rate of 40% or more | | |
| 125% | 160% | 175% | 125% |

| Application type | Tracker & Variable | Fixed for 1 or 2 years | | Fixed for 5 or 10 years |
|------------------|-----------------------------------|---|---|-------------------------|
| | | Purchase, Remortgage (with capital raising) | Like for Like Remortgage (excluding Let To Buy) | |
| Stress rate | Higher of pay rate +2.0% or 5.50% | | Higher of pay rate or 4.50% | |

When calculating the maximum borrowing, this will include any product fees you want to add to the loan. If the product fee is being added to the loan, this can exceed the maximum LTV. But it can't exceed the maximum loan amount.

For further advances individual loan elements will be stressed separately in line with the above. However, the stress rate applied to existing lending will also be set to a minimum of the stress rate applicable to the new borrowing. Please download our [further advance calculator](#) for support calculating potential further borrowing.

For portfolio landlord applications, an aggregate rental calculation applies (please refer to the lending criteria section of the TMW website for details).
